

NUMERICAL INDEX — DIVISION 074

CATALOGUE INFORMATION

TOOLS

1. GENERAL

1.01 This section provides an index of System-issued sections in Division 074.

1.02 A bullet (●) indicates an item that has been added or changed since the previous issue of the index.

1.03 A square (□) indicates a canceled item. Information relating to the cancellation, if necessary, will be shown in a note following the item. Canceled items and related notes will be deleted upon reissue of the index.

1.04 A spade (♠) indicates an item not on microfiche. This index indicates the latest issue for hard-copy BSPs. In some cases, the microfiche BSP will reflect the next higher issue as a result of the reduced distribution interval.

2. LAYERS

2.01 This division is arranged in layers as follows:

- 074-0 Indexes
- 2 Tools — Coded and Noncoded
