

78- and 112-Type Connecting Blocks Description and Use **COSMIC®** Distributing Frames

1. Overview

- 1.001 This addendum supplements AT&T 201-222-105, Issue 3. Place this pink sheet ahead of Page 1 of the practice.
- 1.002 This addendum is issued to add a CAUTION admonishment paragraph and a paragraph. This addendum is issued also to clarify the statements on UL listing of 78- and 112-type connecting blocks.

2. Changes

Issue 1 Changes

- 2.001 On Page 2, Part 1, add new paragraph 1.03 with the following:

This practice contains a CAUTION admonishment.

- 2.002 On Page 2, Part 1, add CAUTION after paragraph 1.03 as follows.

CAUTION:

Sprays and cleaners can damage plastic parts. Do not apply any sprays or cleaners to this product that have not been approved. Be especially careful not to expose any plastic parts to chemicals containing trichloroethane, such as certain cleaning fluids and lubricant sprays.

- 2.003 On Page 2, Part 1, change old paragraphs 1.03 through 1.07 to 1.04 through 1.08, respectively.

2.004 On Page 2, Part 1, replace paragraph 1.08 with the following:

The 78- and 112-type connecting blocks are UL Listed according to the standard for communication circuit accessories UL 1863, for use only with **COSMIC** Distributing Frame Systems. The listing of these blocks makes their application equally appropriate for either central office or customer premise environments.
