# DIAGNOSTIC PROGRAMS
SOFTWARE DESCRIPTION

## 1A PROCESSOR

### 1. GENERAL

**1.001** This addendum supplements Section 254-280-220, Issue 3. Place this pink sheet ahead of Page 1 of the section.

**1.002** This addendum is issued to explain that this section is up-to-date for the CPR5 generic program.

### 2. CHANGES TO SECTION

**2.001** On page 2, between the last entry of the Table of Contents and 1. GENERAL, change the READ note as follows:

*This description is based on the CPR4 generic program. No significant changes have been made in the CPR4 and CPR5 generics; and descriptions of CPR4 program functions are applicable to the later generic. Major differences between these generics and earlier generics are pointed out.*
