AUDIT PROGRAMS

SOFTWARE DESCRIPTION

1A PROCESSOR

1. GENERAL

1.001 This addendum supplements Section 254-280-260, Issue 1. Place this pink sheet ahead of Page 1 of the section.

1.002 This addendum is issued to explain that this section is up-to-date for the CPR5 generic program.

2. CHANGE TO SECTION

2.001 On Page 4, between the last entry of the Table of Contents and 1. GENERAL, change the READ note as follows:

This description is based on the CPR2 generic program. No significant changes have been made in the CPR3, CPR4, and CPR5 generics; and descriptions of CPR2 program functions are applicable to these later generics.
