

**PACIFIC TEL.**  
**NUMERICAL INDEX — DIVISION 621**  
**POLE LINES**

**1. GENERAL**

**1.01** This appendix supplements the AT&T Numerical Index and lists:

All Pacific Co. issued practices.

- All valid Pacific Co. issued Flashes affecting this division.
- Long Lines practices Standard for use in the Pacific Co.
- AT&T practices NOT STANDARD for Pacific Co. use. (See AT&T index for issue number.)

**1.02** A bullet (●) indicates an item that has been added or changed since the previous issue of the index.

**1.03** A square (□) indicates a canceled item. Information relating to the cancellation, if necessary, will be shown in a note following the item. Canceled items and related notes will be deleted upon reissue of the index.

**1.04** A crescent (☾) indicates an associated Flash(es) exists against the section.

**1.05** A solid diamond (◆) indicates a number assigned for a future practice. Practices issued as a preliminary under a future BSP number assignment are not recognized as official BSP publications.

**1.06** An asterisk (\*) indicates a registered trademark.

**1.07** A club (♣) indicates a section that refers to a manufacturer's manual providing a number for filing purposes, and instructions for ordering the manual (if required).
