FIRE SAFETY MAINTENANCE OF FIRE DETECTION SYSTEMS

GENERAL 1.

1.001 This addendum supplements Section 770-330-200. Place this sheet ahead of Page 1 of this section.

1.002 This addendum is issued to establish a procedure to record the required maintenance and inspections of the fire protection and detection equipment.

1.003 Form SW-6376 (Figure 1) is to be used for each building when any inspection or maintenance is performed on any fire protection or detection equipment. 1.004 Do not use this form for portable fire extinguishers which shall continue to be maintained on Form E-5962.

1.005 Form SW-6376 should be filed in the Fire Safety Plan binder which is kept at the fire command station or should be posted at the fire annunciator panel, whichever is applicable.
